Maybe even better than free.

You can give this download link to your friends by mail or instant messenger. Using file, you can circumvent those limits without paying to upgrade your team chat service. Any file in any format can be uploaded and downloaded for free. You don't need any special software installed to be able to download your files. Unfortunately, we can't make that part free. The cost of that data transfer is covered by your internet service or the data plan on your phone. It is also allowed to link to the download page from websites and communities. If only we could, we surely would! On the other hand, using file can actually save you money.When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Why pay storage fees for a file that you just wanted to send toa friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. This is easy, fast and reliablefilehosting! You don't need any kind of premium-accounts. No account or credit card is required to get started. Your wallet will be none-the-lighter! Just sowe're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to yourfriends device. We have no file size limit. filehosting provides an easy possibility for you to send large files to your friends. There are no restrictions on thenumber of times a file can be downloaded. You decide who you want to share your files with. Files transferred the old-fashioned way tend to pile up and beforgotten about, eventually costing you money in data storage fees. Files can be downloaded from any computer from our high speed servers. Keep your filesprivate, or send your download links only to friends or family. You can upload any type of file (movies, music, documents, images, zip files and more). Justupload the file you want to share with your friends and we send you a download link to your file. Our service is completely free for everyone. Simply uploadyour file and share the link. Alternatively you can choose to share your download links on blogs, forums and social networking sites. File is free to use with nogotchas and no hidden fees. So try our free and simple filehosting service now.
