Call Back Brema Founded near Milan, Italy, in 1985, Brema has been specialising in ice production for over 30 years. The company has developed into a global leader in high quality commercial ice making equipment, manufacturing over 50,000 units per year and exporting its machines to countries all over the world. Brema's comprehensive range caters for cafes, bars, restaurants, hotels, fast food outlets, nightclubs, fish markets, hospitals, transport and storage. 3 years parts and labour warranty plus backed by WaterMark approvals on all products. Free external water filter and pressure limiting valve with every machine purchase Benefits All Brema units are electromechanical machines made with no PC boards, meaning the units are far more reliable and less costly to repair. Cutting edge Italian design and manufacturing with tailored solutions for any space and volume specifications. DOWNLOADS User Manuals Brochures Specification Sheets CAD Files BIM Files CASE STUDIES Raw Energy "We were after an ice that was smaller than the regular cubes but not like flakes. The Brema TB series and was exactly what we were after. A versatile ice that could be used for blending, display and straight into drinks. The best advantage is to be able to

completely eliminate ice crystals that could remain when using cubes. <http://www.jdcampus.co.uk/uploads/create-an-operations-manual.xml>

” View Case Study View All Case Studies The Groove Train With 24 locations nationally and no signs of slowing soon, The Groove Train has exemplified the Quick Service Restaurant Scene in Australia. Achieving store and menu consistency across multiple franchisees is a difficult operation; however, this is something that The Groove Train has managed to achieve and continues to deliver. “Whilst the presentation of food View Case Study View All Case Studies KNOWLEDGE CENTRE What are the benefits of Pebble Ice. It might be surprising to some, but ice is one of the most versatile ingredients in the kitchen. Let’s look at how Pebble Ice is a standout for both versatility and usability.
